

Now in its 29th year, the Folk Music Ontario (FMO) conference is the key event for Ontario's folk, roots, and traditional music community. From October 15-18, 2015 at the Westin Bristol Place in Toronto, more than 750 delegates (including artistic directors, presenters, provincial, national, and international industry organizations, musicians and music lovers) will spend the weekend learning, engaging, networking, performing and celebrating. The following is a list of advertising opportunities available during the 2015 FMO conference. If you wish to take part in any of these opportunities, or to find out more, please email Mike Large at fmoadsales@copperworksconsulting.ca or call 705-222-5658.
