

Folk Music Ontario,
the Association des professionnels de la chanson et de la musique
and the National Arts Centre present:

Free Singer/Songwriter Workshop NOVEMBER 23, 2015

Are you an emerging singer/songwriter seeking to learn more about songwriting tips and techniques? Folk Music Ontario (FMO), the Association des professionnels de la chanson et de la musique (APCM) and the National Arts Centre (NAC) invite you to a free singer/songwriter workshop, given by two professional mentors:

[Kellylee Evans](#) is a Canadian rising star singer-songwriter whose natural charm and improvisational jazz vocal style have shined on her adventurous journey through jazz, soul, pop and hip-hop over the past decade.

[Mehdi Hamdad \(from Mehdi Cayenne\)](#) is an intergalactical Pa-klow of sensitivity, consciousness and pure happiness. A mix of a funky groove, punky punchness, pop melodies with a hint of folk. In sum, it's like nothing you've ever heard before, but that you will remember forever. Mehdi's unique style will take you off the beaten path.

Participate and join us for this free workshop by [registering here](#). In the form, you can specify if you wish to receive the workshop in English or in French. The workshop will take place on Monday, November 23rd at the 4th Stage in the National Arts Centre (53 Elgin St, Ottawa) from 9 am to 6 pm. Lunch will be provided to all participants. Please note that space is limited for this workshop. Registration will be on a first-come, first-served basis. Please bring your instrument as there will be a song circle at the end of the day.
